Mr. Pierre H. Testart

Testart.

Corrupt conduct, Justice Robert Osborn, Major General Justice Greg Garde and others.

I refer to earlier communication in respect of this matter and in particular to your threat to visit legal violence upon me.

I have decided to fix you with either having averted your eyes to or having knowledge of the corrupt conduct detailed in the attached memo Part 1 and Part 2 to the people of Victoria.

The fact that I have sent the attached material to you is set out on my website <http://courtsontrial.com>

I will watch with interest to see if you will stand up against the corruption of your profession or not.

You were very quick to threaten me.

We shall see,

Yours Faithfully
